University Events and Volunteers Management System

EV

Developed a web-based system for managing university events, volunteer registration, and participation tracking.

Next.js · Node.js · Express.js · SQL Server

Hand Gesture Project

✋

Developed a Python-based hand gesture recognition application for detecting and interpreting hand movements.

Python

Tour Guide Website

✈

Developed a full-stack tour guide website for exploring destinations, managing user profiles, and travel information.

Next.js · Node.js · Express.js · MySQL

Smart Campus Website

Developed a full-stack Smart Campus website for exploring destinations, managing user profiles, and travel information.

Next.js · Node.js · Express.js · MSSQL

EDUCATION

Bachelor of Computer Science (Degree Pending)

Awaiting Graduation 2026

University of Computer Studies, Meiktila

Completed academic requirements and currently awaiting degree conferment.

NAUNG YOE TECHNOLOGIES CO., LTD.

Internship Completion Certificate

This certificate is proudly presented to

Wai Phyo Paing

5CS-32

University Of Computer Studies (Meiktila)

for completing his internship program

under the Naung Yoe Technologies Co., Ltd.

It was conducted from May.5, 2026 to July. 31, 2026.

Ye Wint Htut Tin

Managing Director
